The New York Bar Foundation recently presented a grant of \$8,900 to the Legal Information for Families Today (LIFT) in Brooklyn. The grant will be used to support their Digital Access for Legal Information program. "By improving the user experience on our site, we will expand the provision of legal information to people statewide with easier access online and on mobile phones," said Sharon Myrie, LIFT's CEO.

In early 2015, The New York Bar Foundation allocated over \$500,000 in grants to 94 organizations across New York to assist in:

- Increasing public understanding of the law
- Improving the justice system and the law
- Facilitating the delivery of legal services
- Enhancing professional competence and ethics
